ALL-IN-ONE WASHBARS

Next Gen Washbar

Washbar

Washbar Duo

OmniDeck with WashBar® Technology

Save on operation and maintenance costs with fewer soap refills, less wet floor clean up, eliminate paper towels and spend less time emptying waste bins. OmniDeck with clean+rinse+dry WashBar technology is the smart, tailored solution you've been waiting for.

CUSTOMIZED FOR YOUR DESIGN

The OmniDeck with WashBar handwashing solution not only provides personal space with individual bowls, but also provides optimal customization to meet your design requirements.

- Available as a one-piece continuous solid surface deck up to 120" (304 mm) long with up to 4 bowls. Longer lengths can be seamed in the field.
- Placement of the bowls can be customized as well as the size of front and side aprons and optional backsplash.
- Available in dozens of Terreon solid surface colors with matching sheet stock for shelving.
- Perfect for alcove renovations.

CLEAN

- Touch-free activation
- Low level LED indicator
- Gallon (3.8 L) soap capacity
- Simply replace soap tank –no cleaning or refilling
- Liquid and foam soap

RINSE

- Touch-free activation
- 1.9 LPM
- Ultra-high efficient 1.3 LPM option where water conservation is a necessity

DRY

- Touch-free activation
- Heated air stream dries hands quickly and efficiently
- Adjustable speed for quieter hand drying

USE IN A VARIETY OF APPLICATIONS
